

MICHELLE FOXTON

FEDERAL LIBERAL CANDIDATE for
the RIDING OF LANARK-FRONTENAC

FOR IMMEDIATE RELEASE

Michelle Foxtton Launches “Solutions Tour” to Engage Lanark-Frontenac Residents

Lanark-Frontenac, ON – January 2025

Michelle Foxtton, Federal Liberal Candidate for Lanark-Frontenac, is inviting residents to join her “Solutions Tour: Shaping Our Future”, a series of community meetings designed to bring people together across political stripes to discuss the issues that matter most to them. With stops planned across the riding, this tour represents a fresh approach to politics, focused on listening, collaboration, and finding common ground to build a brighter future for all.

For 24 years, Lanark-Frontenac has lacked the kind of active, grassroots engagement that Michelle’s Solutions Tour represents. Unlike the incumbent, Scott Reid, who has never conducted a riding-wide initiative like this, Michelle believes it is time for a new kind of leadership—one that is rooted in respect, compassion, and a willingness to hear directly from the people. “Democracy only works when we participate in it,” Michelle said. “This tour is about giving everyone a voice, listening to their concerns, and collaborating on solutions to make life better in Lanark-Frontenac.”

The first two stops on the tour are set for Saturday, February 1st:

- 10:30 AM at Almonte Old Town Hall, 14 Bridge Street, Almonte
- 2:30 PM at Carleton Place Zion Memorial United Church, 37 Franklin Street, Carleton Place

Additional stops are planned for Ferguson’s Falls, Perth, Smiths Falls, Battersea, Sydenham, Plevna, and Sharbot Lake, ensuring that residents from all corners of the riding have the opportunity to participate.

The Solutions Tour also reflects the energy surrounding the ongoing Federal Liberal leadership race, which has already tripled Liberal membership in Lanark-Frontenac. Michelle believes this enthusiasm underscores Canadians’ desire for a fresh approach to politics—one that prioritizes shared values like fairness, dignity, and respect. “People want leaders who care about their communities, who can work across divides, and who are committed to real solutions,” Michelle explained.

Michelle’s campaign is focused on tackling the unique challenges facing Lanark-Frontenac, including building a strong economy, affordable housing, rural healthcare, climate change, and local infrastructure. Through the Solutions Tour, she hopes to highlight the voices of residents and ensure their ideas help shape her priorities in Ottawa.

“This is more than just politics—it’s about working together to build a stronger, better Canada for everyone,” Michelle said. “I’m excited to meet residents from every community, hear their stories, and discuss how we can create real, lasting change together.”

Residents are encouraged to attend one of the tour stops, share their thoughts, and collaborate on solutions for the future of Lanark-Frontenac. Light refreshments will be provided at each event, and everyone is welcome to attend regardless of political affiliation.
